For new installations, warranty updates and licenses are free of charge for 12 months. Outside the warranty period, an update or calculated license will be charged as follows:

AiVPack Basic or Extended without 3D-Module € 150,00 / License AiVPack Basic or Extended incl. 3D-Module € 300,00 / License

With the fee you will receive an additional 12-month warranty. All prices are in Euro plus VAT.

We confirm that the license is required for the above reason and that it is legally used for an existing ERPA software license. In case of a hardware or work station change, we assure that all software copies on the original hardware have been deleted or made inaccessible. The General Terms and Conditions of ERPA Systeme GmbH apply. In the event of non-compliance, ERPA reserves the right to take legal action.
